“ Thinking of you Jen and sending prayers to get you through this sad time. Even though we haven't seen you and Marc for years, we do have some great memories. Halloween, driveway drinking and the stories Marc would tell. We always had a good time and lots of laughs. Rest in Peace Marc. You will be missed. Love, Fred and Alice Sarvey

“ Marc was always quick to help you with any little thing (or big thing). He would joke with you, but you always knew he had your back. He will be missed so much!! There aren't enough words to express how sorry I am to lose him, but hope we all see him one day in a reunion in the sky. Rest in Peace Marc. Diane Davis

“ Marc was always there for my husband and I. He had a answer for problems with cars or house repairs and got the job done. He also tolerated the shows that I performed in with our theatre group year after year, after year. He was my son-in-law, but I adopted him as my son. Love forever, mom Betty

He was always smiling, a pleasure to work with, a compassionate, caring individual who always made the other person feel welcome and comfortable. Sending prayers and love and compassion to you always Jen.
