“ Recalling all the memories, my dear cousin , it all seems like yesterday, and we still can not believe this news . Although we were miles apart , we were always close and I can still hear your voice and laughter in my head. You were one of a kind and special on so many levels.

A true Angel /Guardian , a woman of strength courage and values /priority /and sense of family. There was no confusion on your view on a subject. A hug was felt and true, as was laughter and her presence. Baci e abbracci mia BELLA cugina come sempre.

“ She was and always will be someone I always looked up to and wanted to be when I was younger. We would go there countless Sundays to spend time and to eat with them along with my cousin Donna , Zio Rocky and Zia Celeste. She had the greatest jokes and one of the best memories I had was the times we would all listen to her and Victors music collection.I don't think there are many people who stood by the vows “for better or worse”. She gave 24 years to her husband. I don't think there are many people out there that would do that. She is truly a ANGEL. I WILL FOREVER MISS YOU. MY HEART IS BROKEN. I LOVE YOU!

Love your cousin

“ Rosanne was a long time friend that I met when I started working at Tec, she was a great inspiration and my go to whenever I had questions about any job that I was at, she always remembered my birthday and I may of not spoke to her for years, but when I did we would pickup right where we left off like it was yesterday, I am very saddened with her leaving so soon, but I do know she loved her family more than anything, she was a good mom and wife, I am so sorry Victor and Francesco

“ We remember all our good times together when we were younger and Roseanne and Victor became Godparents to our daughter Caterina. We would get together every weekend and shared many meals, went out dancing, we would play games and shared a lot of laughs but also shared a lot tears. Be IN The LIGHT my courageous beautiful friend.

“ Rosanna was my student in forth grade st st Gertrude in franklin park II . And being Italian she got to know my parents and I hers. She kept up with contacting me over the years and was like a little sister and best friend. She never forgot my birthday. She was funny , kind, pretty , smart, and spiritual. She was good wife and mother. She was very loved by so many. I will miss her and always love her. My condolence and prayers for victor and franchesco. God bless all of you. Thank you lord for Rosanna. she is in your arms now.
