Scott Devlin Justice

On Friday, July 12, 2019, Scott Justice, loving husband and father, went home to be with the Lord at the age of 48.

Scott was born on April 23, 1971 to Yvonne and Randolph Justice. He was raised by his father, Randolph, and his step-mom, Mabel Justice. Scott grew up in Pikeville, KY and Lynchburg, VA. Scott graduated from Jefferson Forest High School, where he played football.

Scott married Becky Conway on May 3, 2003. They have a daughter, Savannah, who is 12 years old. They recently relocated to Lakeland, Florida from Cleveland, Ohio to be near family and his company.

Scott received his MBA from Averett University in 2000. Early in his career, Scott worked for Ericsson. Most recently, Scott was Vice President of Hydro Solutions Consulting, LLC. He was with HSC for 9 years and was responsible for program management and business development. “ Scott and I worked together back in the Ericsson days. Great man. We all had lunch together and shared stories. I vividly remember the morning he came to our lab and told me that he had accepted Christ as his Savior the night before. He was glowing with the excitement of his newly found comfort and peace with God. And today, when I learned of his passing, I was comforted that he was at home with Christ. Comforted by a conversation we had over two decades ago. I am grateful to have known him. Glad our paths crossed, albeit for a short time. Until we meet again. Praying that his friends, family and children find comfort and peace during these days.

“ I was so saddened to hear of Scott's passing. We worked together at Ericsson and I remember how helpful and kind he was to everyone that he worked with. Most of all, I remember the lunches that our little shared together, laughing and telling stories almost every day. While we lost touch over the years, I have missed him and the world feels a little more empty knowing that he is gone. May the lord watch over and bless his family.

“ Becky and Savannah,

May God comfort you during your time of mourning. Though we cannot be there with you both, you and Savannah are in our hearts. Scott made a great impact on my spiritual life and his support during Karen's transplant meant so much to both of us! My only regret is that we did not get to know you all as much as we would have liked to. We can rest in the knowledge that Scott is at peace and we will be reunited with him in a blink of an eye!

Love,

“ Scott was such a delight to know. Friendly to everyone and he really did have a desire to welcome all and share Jesus in our singles group. I am so sorry that from a human standpoint his lifespan was cut short. God certainly knows all about it and has a plan so hang on to him and trust His sovereignty. Becky we will be praying for you and if there is anything we can do to help you let us know. We are here for you in the Berg.
